

MARSHFIELD AQUATIC CENTER

MARSHFIELD, WI

This project consists of two separate pool structures that combine for a total of 9,304 square feet and holding a total of 267,740 gallons of water. The first pool is a 4 lane lap pool with (2) 16 foot diving boards. The second pool is a family friendly lifestyle pool. Within the lifestyle pool there are two towering slide features, play structures suited for the younger ones, and a climbing wall. All together these pools can hold a staggering 598 people.
